X1 15. [] LEGISLATION Called Nanette Blandin, OMB, and asked her for the status of the two deputies legislation. She told me that it was still tied up with questions regarding executive level and supergrade positions for the Intelligence Community Staff. I questioned whether it was necessary to consider these two items together and I asked her to do what she could to expedite clearance of the legislation. She said she would call me the next day and let me know what she was able to do.

X1 16. [] LIAISON Sam Hoskinson, NSC Staff, called to inform me of his meeting with Bill Miller, Staff Director, and Rick Inderfurth, staff of the Senate Select Committee on Intelligence. He said Miller and Inderfurth's main interest was in how the OAG does its job. Hoskinson said they also discussed the set-up of the Committee's different Subcommittees and their purpose and what would be expected of them. I thanked Hoskinson for keeping me informed.

X1 17. [] LIAISON Spoke with Mr. Andrews, Official House Reporters, and requested a copy of the open portion of today's proceedings of the House Committee on Standards of Official Conduct. I previously checked with Bill Arbogast, on the Committee staff, and he suggested that I call Mr. Andrews. 1. [] LIAISON GAO Mr. Zanardi and Mr. Watson, GAO, came out to read some classified economic material on several Middle East states. We went over the material and agreed to provide them with two documents and extracts from other reports which they will return to us and maintain in a safe. They requested a political briefing on Egypt and we agreed to provide one on 20 September at 10:00 a.m.

2. [] INTELLIGENCE BRIEFING Accompanied Jim Lilley, NIO/China, to a briefing of Senator John Glenn (D., Ohio) in connection with his upcoming trip to China. The Senator was primarily interested in military and technological developments, but there was also a good bit of discussion on the Chinese leadership. Senator Glenn hopes to be invited to visit some Chinese weapons or space facilities and asked for reports on the Chinese space and weapons programs. Lilley is gathering a package of materials. I arranged with Senator Glenn and subsequently with Ben Marshall, Security Director, Senate Select Committee on Intelligence, for these materials to be delivered to the Select Committee offices on a daily basis and for Senator Glenn to review them there.

3. [] LIAISON Called Homer McMurray, Official House Reporters, to inquire whether there was an open portion of today's proceedings before the House Committee on Standards of Official Conduct. McMurray said that only the preliminaries were in open session and I told him that we were not interested in getting a copy of today's session but would like to have a copy of tomorrow's session at which Daniel Schorr will testify. He said it would be available for a courier to pick up Thursday morning. [] Assistant to the DDCI, has been advised.

4. [] LIAISON Charles Sorrels, Congressional Budget Office staff, called to express his appreciation for the briefing which he had received at the Agency last week.
